

NHSN Confer Rights to Group Training Session

April 19, 2007

NHSN Data Sharing: Group

- A state health department can enroll as a Group in NHSN
- An NHSN facility joins the Group
- Facility gives access rights to certain of its data to the Group
- Group can analyze the data of its member facilities
- NHSN facilities in the Group cannot see one another's data

New in this version

Allows the facilities to confer rights to the state or group in a more granular level than was previously available.

- By Plan status
- By Location
- By Date Range
- By Procedure/Setting
- By Event

Joining a Group for Training

On the navigation bar, click on “**Group**” and select “**Join**”.
The **Memberships** screen will appear:

The screenshot shows the NHSN (National Healthcare Safety Network) interface. At the top, the CDC logo is on the left, and the text 'Department of Health and Human Services Centers for Disease Control and Prevention' is on the right. Below this, a blue navigation bar contains 'NHSN - National Healthcare Safety Network' and links for 'NHSN Home', 'My Info', 'Contact us', 'Help', and 'Log Out'. A left sidebar lists various menu items: 'NHSN Home', 'Reporting Plan', 'Patient', 'Event', 'Procedure', 'Summary Data', 'Analysis', 'Surveys', 'Users', 'Facility', 'Group' (which is expanded to show 'Confer Rights', 'Join', 'Leave', and 'Nominate'), and 'Log Out'. The main content area is titled 'Memberships'. It includes a section 'Groups that have access to this facility's data' with a large empty box and buttons for 'Confer Rights' and 'Leave Group(s)'. Below this is a section 'Enter ID and Password for this facility to join a new group' with input fields for 'Group ID' and 'Group Joining Password', and a 'Join Group' button. A 'Back' button is at the bottom center. A status bar at the top of the main area indicates the user is logged in as 'MAGGIE' at 'DHQP MEMORIAL HOSPITAL (ID 10018)'.

Enter the ‘11167’ for Group ID and ‘join’ as the password.
